

SENDING THE RIGHT SIGNAL

FIXTURE

GAL has just completed an expansion in our Fixtures Department. We are looking for new business to fill our expanded schedules.

For the next 90 days (orders placed on or before 03/31/2009) when you order GAL Fixtures with your GALaxy Control, GAL will pre-wire your fixtures at no charge.

Standard Fixtures can ship in two weeks. Custom Fixtures also have much shorter lead times. Engineering turn around in one week.

Very competitive prices.

Same rugged dependability that GAL Fixtures have always been known for. Exceptional Vandal Resistant Fixture Line – the toughest fixtures available today.

Now available with Wurtec Hands-Free Phones.

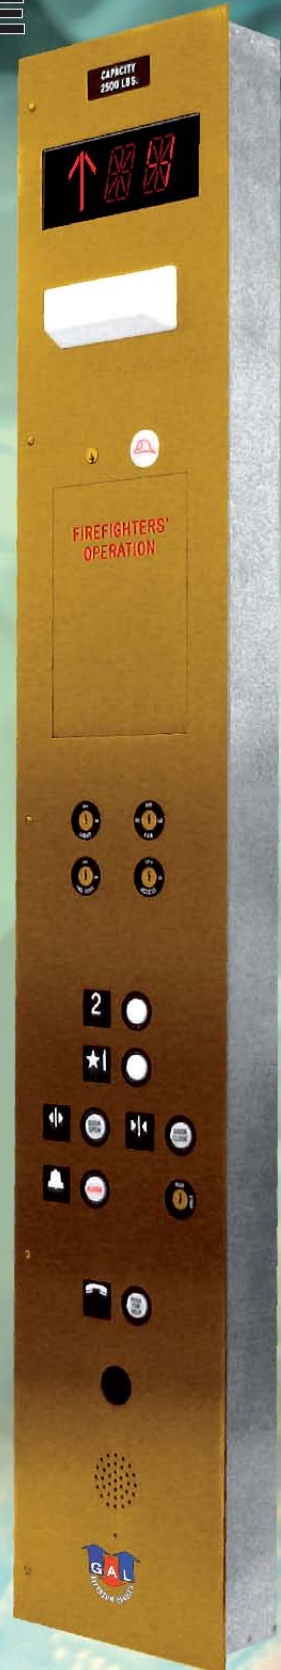

Available with 2004 + Code mandated Fire Service Cabinet.

CE or E-Motive Digitals

Buy the most dependable Fixtures in the Industry. Save time and money with Fixtures pre-wired for GALaxy Controls.
