If you're looking for answers, we've got them.

Free: Customer Training

GAL provides complimentary customer training classes each month at our Bronx, NY facility, and regularly off-campus at GAL regional offices. All training classes have been approved by the NAEC Education Committee for CET and CAT Continuing Education Credit and participants can earn a total of up to 1.5 contact hours (*hours per class verified by Stephen Bossy, GAL Lead /Engineer*).

Each session offers attendees a **free lunch** and a **drawing to win two free tickets** for... but wait....just keep reading.

Subject: GALaxy Controls

Length: 4.5 Hours

Take a serious look at our family of GALaxy Controllers, including the new **eHydro**.

Subject topics include product features, design, installation, adjustment, and troubleshooting tips. Q&A opportunities are provided during this session.

Subject: GAL Door Equipment

Length: 2.5 Hours

Learn about GAL Door Equipment features, benefits, and get details on proper installation, adjustment and troubleshooting information. The course covers the **GAL LWZ-2** series clutch and zone locking device, as well as **MOVFR** and **MOVFE 2500** linear and harmonic series operators. Instructors will review key code compliance issues including Kinetic Energy code requirements.

Attendees will be able to pose questions afterwards to GAL Door Equipment Design and Support team members in a Q&A session.

Subject: Hollister-Whitney Rope Gripper®

Length: 1.5 Hours

Here you'll review the principles, Code Compliance issues, installation and maintenance details for one of the most respected emergency brakes in the marketplace today.

This course provides an easy way to familiarize professionals with the device before they encounter it in the field. Here one can learn how to avoid common mistakes and pick up information useful when specifying or installing Rope Gripper® technology.

Afterwards... win two free tickets and see the Yankees play

We know you're here for business, but there's no reason why you can't mix in some playtime too. **Every attendee of a GAL Summer Training Course will be entered into a drawing, where at the end of a class they could win two free tickets to attend a NY Yankees baseball game!**

Sign up today

To attend **call our Tech Support Main Line at 877.425.7778** or go to **http://www.gal.com/techSupport** and ask for details. We look forward to seeing you. But you need to sign up now. Because both class space and the summer is going by fast. **And if you'd like a chance to see the Yankees for free, then you need to move now!**
